

DR. FATIMA
BUSTOS-CHOY

THE NEW AGE OF ENLIGHTENED
LEADERSHIP FIVE PATHS TO ABUNDANCE &
SUSTAINABILITY FOR TODAY'S LEADERS

Old formats for leadership and organizational development processes no longer work as well as they once did. Today's leaders need new tools and fresh nonlinear ideas for relevance and innovative outcomes

Dr. Fatima Bustos-Choy

has over thirty years of corporate business management and organizational and leadership development consulting experience. She has effectively designed and facilitated leadership development programs for major corporations such as Citibank, IBM, Wells Fargo, Raytheon, Merck Pharmaceutical, and LEAP, Inc., and many others. Her innovative and transformative approach offers CEOs, senior managers, corporate directors, their staff, and employees - new, fresh, and implementable ideas to create corporate abundance and sustainability in this volatile market. She is a graduate of California Institute of Integral Studies with a Doctoral Degree in Transformative Learning and Change and is a respected and sought-after facilitator and trainer.

Her new book, More Than Money, Five Paths to Abundance and Success for Inner- Centered Entrepreneurs, available on [Amazon.com](https://www.amazon.com)
